

How will your life be all for the kingdom?

Jesus' claim on our lives is extreme: *"whoever loses their life for me and for the gospel will save it"* (Mark 8:35)

MTS Mission Minded Katoomba (4-6 Sept 2025) is all about helping you take a step back and really think about how you're going to live the rest of your life - all for the kingdom.

It's also for ministry workers in churches, unis and other contexts seeking to raise up the next generation of gospel workers - gospel workers of all ages.

We'll have:

- Bible talks
- Peer Group discussions - gather with other people who are in the same circumstances and stage of thinking as you
- One-to-one mentoring by experienced gospel workers
- Interviews with ministry workers and ministry apprentices
- Electives, and more.

For more info and to register: <https://allforthe kingdom.org/rego/katoomba/>

Who MTS Mission Minded Katoomba is for:

Delegates: Those thinking about gospel work, **no matter what age or stage of thinking you're at!**

Strand 1: You love serving Jesus but haven't really spent much (or any) time thinking about gospel work

Strand 2: You might have done some thinking about gospel work, but still have lots of questions and things to think through before making a decision.

Strand 3: You're keen to pursue gospel work through an MTS Apprenticeship but likely not in the next year.

Strand 4: You're planning to start an MTS Apprenticeship in 2026.

Gospel Workers:

Apprentices, Bible College Students, Pastors/Ministers

This Conference will help you to raise up the next generation of gospel workers from within your church or ministry group and meet other gospel workers doing the same.

PRIME TIME:

While most of our focus in raising up harvest workers has been on raising the next generation, in more recent years we are finding a growing number of older people (40+) with a wealth of experience and skills, passionate to use the next stage of their life in gospel work.

Growing older is not a problem but a prime time to rethink how we can better use the latter half of our lives to continue to grow the work of the gospel.

For the first time, MTS Mission Minded Katoomba will have a dedicated Prime Time Peer Group, elective, and space for Prime Timers (those 40+) to discuss challenges, opportunities and hear real life experiences of people doing MTS Apprenticeships and pursuing gospel work in their 40s, 50s and beyond!
